## GUEST SPEAKER

A survey completed in 2006 showed that 46-70%  
of our population had literacy issues.

Last week our guest speaker was Louise Cragg.  
Louise spoke to us about the Adult Literacy pro-  
gram that is run here on the Coast by Sunshine  
Coast Libraries.

Sunshine Coast Libraries offer free literacy pro-  
grams to adults to assist them to become func-  
tionally literate by helping with reading, writing  
and basic computer skills.

The program uses volunteer tutors and classes  
are held in libraries from Noosa to Beerwah.

If you would like more information on this pro-  
gram, contact the Adult Literacy co-ordinator on  
5499 5414 or [libraries@sunshinecoast.qld.gov.au](mailto:libraries@sunshinecoast.qld.gov.au)

### BUNNINGS BBQ JULY 2011

The government today announced that it is changing its national symbol to a CONDOM because it more accurately reflects the government's political stance. A condom allows for inflation, halts production, destroys the next generation, protects a bunch of pricks, and gives you a sense of security while you're actually being screwed.

Damn, it just doesn't get more accurate than that
